

TECHNICAL CERTIFICATE WORKSHEET PHARMACY TECHNICIAN

A Pharmacy Technician will perform duties such as counting, labeling and preparing medications and assisting a pharmacist and other healthcare professionals in providing patient care. Pharmacy Technicians are employed in a variety of pharmacy settings including retail, hospital, institutional, mail order, and compounding centers.

The Technical Certificate degree plan is a 12-month program, beginning in the fall and continuing through the summer semester. Admission to the Pharmacy Technology Program is selective. Application packets are available from the Title III secretary in the Frederick Dierks building (501) 760-4160 or on the web page.

Courses prerequisite to another class require a minimum grade of "C" in order to advance to the next course.
