

CERTIFICATE OF PROFICIENCY WORKSHEET EMERGENCY MEDICAL SERVICE, BASIC

The certificate of proficiency for Emergency Medical Technician - Basic is designed to train individuals to rapidly recognize, assess, and treat medical and trauma-related emergencies. It is based on guidelines from the Department of Transportation and is required of all ambulance service personnel prior to employment. This certificate serves as a prerequisite to the EMT - Intermediate and Paramedic courses.

Special admission requirements apply to this program. Students must submit a Health Sciences application form and meet with the Program Director, 501-760-4158.

Courses prerequisite to another class require a minimum grade of "C" in order to advance to the next course.
