ONLINE COURSE FEE	$10/ cr hr for all online classes

EXPLANATION OF FEES

Registration Fee
This non-refundable fee of $50 is charged each semester to all students who enroll in a class(es).
The purpose of this fee is to assist with all costs involved with enrolling students.

Infrastructure Fee
This fee of $50 is charged each semester to all students who enroll in a class(es).
The purpose of the fee is to maintain the college's infrastructure (i.e., systems and facilities – existing buildings and construction of new buildings).

Security Fee
This fee of $25 is charged each semester to all students who enroll in a class(es).
The purpose of the fee is to maintain campus-wide security (i.e., security equipment and personnel).

Technology Fee
This fee of $8 per credit hour (no matter the class and has a 15-hour cap) is charged each semester to all students who enroll in a class(es).
The purpose of the fee is to maintain the college's technology (i.e., computers, monitors, printers, ink cartridges, printing paper, and latest software installed on all NPCC computers).

Lab Fee
This fee of $10 per credit hour is charged each semester to all students who enroll in a class(es) that have a lab (see schedule for a listing of all classes that have a lab).
The purpose of the fee is to enable the College to remain current with the latest technology, equipment, and expendable supplies for those particular classes.

Online Course Fee
This fee of $10 per credit hour is charged each semester to all students who enroll in an online class(es).
The purpose of the fee is to offset some of the cost of Angel/Blackboard licensing and software. (*NOTE* Taking classes online should save the student some costs associated with driving to campus, yet the courses actually cost the college more with Angel/Blackboard upgrades and fees associated with necessary software.)

Wellness Fee
This fee of $1 per credit hour (no matter the class and has a 15-hour cap) is charged each semester to all students who enroll in a class(es).
The purpose of the fee is to maintain the college's Wellness Center, which is available to all students.
